

# **INDIVIDUAL PRACTICE ICE SESSIONS** **FOR OVERSEAS SKATERS – SKATE MALAYSIA 2009**

We have reserved special 45-minute Individual Practice Ice sessions for overseas skaters at Sunway Pyramid Ice in Malaysia. Please contact **Harry at episkate@hotmail.com** for more practice ice information details. Reservations for these 45-minute sessions (**limited to maximum 20 skaters per session**) can be made on a first-come basis **ONLY BY COACHES** through e-mail or fax request to Harry above

**Priority:** First priority for these individual sessions will be given to smaller teams who might not have enough skaters to afford the Private Team Practice Ice bookings.

**Rates:** The rate for these Individual Practice Ice sessions is US\$ 15 per skater per 45-minute session – if paid in full by June 22<sup>nd</sup>. After that date, the price is US\$ 20 for all reservations and payments.

**Payment:** All payments must be made by T/T (to the same account information on website as for entry fees) or in cash (USD or local currency equivalent) to Sunway Pyramid Ice by latest June 22<sup>nd</sup> or your reserved space will be cancelled and re-sold.

When your space and session is confirmed, you must wait to first receive e-mail confirmation for your session(s), then it is suggested that you collect all practice ice money and make full payment by T/T before June 22<sup>nd</sup>. To save confusion and time, you can combine all of your practice ice payments – both Private Team & Individual Sessions – into one T/T transaction to Sunway Pyramid Ice and send an e-mail to confirm the payment amounts.

**Reservations:** To reserve your space, use the following session numbers for matching day/time and give skater's names for each space you wish to reserve. For example, we have 5 skaters for Session #1 – (list the 5 names); we have 8 skaters for Session #4 (list the 8 names); etc. **Space will not be reserved without individual names for each session.**

The session times will be assigned on a first-come basis. Any unreserved space will be sold to local Malaysian skaters after June 22<sup>nd</sup>.

- All competitors can skate, but **NO COACHES will be allowed into the ice rink during this time** as all coaches must attend the **required Coach & Judge Meeting at Sunway Pyramid Ice Function Room at 3PM**
